

**What does LGBT+ mean?**

**L – lesbian**

**A woman who feels romantic love for another woman**

**G – Gay**

**A person who feels romantic love for another person of the same gender as themselves. Here it means Men who love other men.**

**B – Bi or Bisexual**

**A person who can feel romantic love for a person of any gender.**

**T – Trans or Transgender**

**A person who is Trans has a gender identity that does not match the gender they were thought to be when they were born.**

**For example someone who was thought to be a boy when they were born but they knew they were really a girl so dress and live as a girl.**

**+ - Plus**

**We use plus to include any other identity or sexuality. There are many and each one is accepted in the LGBT+ community.**
